### Lake Lanier Olympic Park and The Boathouse

Located on the shores of Lake Lanier, these sites offer lakeside options, beach area, large grandstand, pavilion, docks, park setting and boathouse options. This historic park was home to the 1996 Centennial Olympic Games rowing, canoe and kayak competition. The original tower still stands today and hosts athletes from around the world to train in Olympic water!

### Riverbend Elementary School

Riverbend elementary is currently not in use for academic purposes and offers an academic setting, along with an older style gymnasium.

### Lee Gilmer Memorial Airport

This airport is a step back in time. The aviation office has art deco charm. The facility is owned and operated by the City of Gainesville and houses 81 T hangars and 12 corporate hangars.

### Martha Hope Cabin

This historic cozy cabin features a large stone fireplace, outdoor amphitheater, charming porch and definite "woody" feel. Located conveniently in the heart of Gainesville without the challenges of actually being in the mountains.

### Gainesville Civic Center

This is a working conference center offering large spaces and multiple rooms. The mid-century style can be adapted for a multitude of events and evokes a 1940's charm. The large ballroom opens to a large porch and charming lawn area.

6

### Gainesville High School & Athletic Facilities

Gainesville High School is known for its state-of-the-art athletic facilities which include a full-size turf covered field, film viewing room and field/stadium with immaculate field, grand stands and jumbotron.

7

### The Schoolbus Graveyard

Unique and off the beaten path, this landmark features dozens of retired schoolbuses that have been painted with a variety of styles and themes.

8

### Brenau University and Bamboo Forest

Located on the historic Brenau University Campus, the Bamboo Forest is a dense grove of bamboo that offer an almost jungle-like setting. Brenau University campus' also offers a diverse collection of locations from elegant theaters and art galleries, large art installations (including the worlds' largest bronze golden tiger) to neo-classical style buildings.

9

### The Midland Greenway

A smaller scale version of Atlanta's Beltline, the Midland Greenway is a paved trail system that winds through the Midland area of Gainesville to the shores of Lake Lanier. Along the path you'll find an amazing and variety of artwork installations along the trail. There's a skate park, a dog park, two breweries and green space.

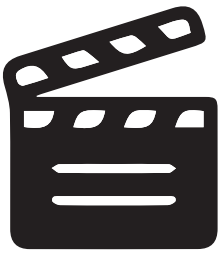

10

### New Holland Parlor

The outside of this venue gives an old school church feel, but the inside reflects a very unique and eclectic setting. The interior features a mix of warehouse and industrial with a touch of darkness. The original pool is now a rental area and features the pool walls and shimmering blue "pool" floor.
